

Come and Learn about the Bay Area CoDA Intergroup

All groups are encouraged to send a rep, all CoDA members are welcome

Next Meetings: 8 January, 12 February, 11 March

Big Blue Books, the new Pocket Blue Book and lots of other literature available

Show your gratitude that CoDA was there in your time of need and help keep CoDA going strong by providing service at Bay Area CoDA Intergroup (BACI). BACI is comprised of representatives and members-at-large from the CoDA community. Generally, the BACI meets on the 2nd Sunday of each month (no meeting in May), 10 a.m. (lasts upto 2 hours) at Summit Hospital, 3100 Summit St., Oakland 94609: from the main entrance of Providence Pavilion, take the first right into cafeteria, then through the double doors into the Conference Room. From east I-580 take Webster Street/Broadway exit: left on Webster, right on Hawthorne, left on Summit (Providence Pavilion on left). All groups are encouraged to send a representative -- and anybody in CoDA is welcome. Elections for available BACI offices are held at February and August meetings.
